## SUMMARY

Determined and motivated third-year BS Computer Science student at Mindanao State University-Main Campus with a strong interest in data analytics. Eager to apply academic knowledge in a practical setting and gain hands-on experience to develop technical skills and professional expertise. Seeking opportunities to explore and contribute to the field of data analytics through internships and collaborative projects.

## ACADEMIC EXPERIENCE

**Seminar-Workshop: "Streamlining Development: Agile Methodology and Emerging Web Technologies in Action"** **March 8 - 9 2024**

- In charge of the Financial Department, managing the budget, and ensuring all financial transactions were accurately recorded and transparent.
- Organized and participated in a two-day seminar workshop focused on Agile Methodology and Web Development, which attracted approximately 70 participants, including students from CSC181.
- Engaged in interactive sessions, hands-on workshops, and collaborative activities designed to enhance understanding of Agile practices and web development techniques.
- The seminar was marked by active participation, insightful questions, and the sharing of personal experiences, fostering a vibrant and productive learning environment.

**KaSaBa Project: Maranao Language Crash Course** **Aug 2023 - Jan 2024**

- Responsible for data gathering and proofreading.
- Developed a crash course for non-Maranao individuals to learn the Maranao language, aimed at enabling simple daily conversations and improving communication skills.
- Facilitated language learning for non-Maranao speakers, enhancing their ability to engage in basic conversations and daily interactions.

**Treasurer/Auditor, Ahlul Mubarakah Youth Association** **2018-Present**

- Organized and managed financial aspects of a Ramadhan seminar, ensuring all transactions were accurate and transparent.

## EDUCATION

**Bachelor of Computer Science** **Aug 2021 - Present**  
Mindanao State University-Marawi City

**Senior High School (ABM)** **Aug 2019 - June 2021**  
Mindanao State University - Balindong Community High School

- Graduate with high honors

**Junior High School** **June 2015 - July 2019**  
Mindanao State University - Balindong Community High School

- Graduate with high honors | Best in Math

## ADDITIONAL INFORMATION

- **Technical Skills:** Basic skills in C++, Python, HTML, and MySQL
- **Languages:** English and Filipino.
- **Awards/Activities:** Actively participated in the "Research Opportunities for BS Computer Science Students" to equip students with a foundation of research ideas for our future endeavors.
